Be Kind

Let's Make a Difference!

Let us be mindful of our Tsi Niionkwarihò:ten teachings, Skén:nen, Ka'nikonhrí:io, and Ka'shatsténhshera. These teachings remind us to carry ourselves with a good mind, dignity, kindness, honor, respect and love that is the foundation of our community.

The KEC has purchased a Pink Shirt for all students and staff to wear on Anti-bullying Day to stand together against bullying and to show our support for safe and inclusive schools, workplaces and community.

The KEC encourages everyone to pay it forward with an act of kindness to those around you.
