Under the governance of the Kahnawà:ke  
Combined Schools Committee and guided by  
parental input, the KEC offers educational  
services based on Tsi Niionkwarihò:ten to  
students at its three schools and post-secondary.

The KEC is proud to celebrate its unique  
and progressive work in the area of  
developing curriculum and programming  
based on our Rotinonhshón:ni world view,  
beliefs and traditions.

Located in the heart of the community, Kateri School offers a wide variety of programs and services to its students, including Kanien'kéha Language and Culture, French, core programming as well as extra-curricular activities.

Additional Resource Services are provided to students who require support or enrichment.
